Reverend Mother Mary Evangelist

DEDICATION

*It is our happy privilege to dedicate
the 1961 ACADEMIA to our distinguished*

*Alumna and Golden Jubilarian,
REVEREND MOTHER MARY EVANGELIST.*

*As a person trekking over a mountain
can pause at a vantage point
to cast a backward glance
over country traversed,
Reverend Mother can look back
on a half-century of religious endeavor.*

*We shall not attempt
to notate all that she may see:
the instruction of children,
the inspiration to music students,
the wise counsel to sodalists,
the extension of the Mercy Hospital,
the expansion of St. Joseph's College,
the educational and spiritual
advancement of her Sisters.*

*And now at the completion of fifty years, we can say
Reverend Mother is————*

*great, because she practices humility;
rich in the esteem of others, because she is poor in spirit;
eloquent, because she knows the silence of prayer;
serene in vision, because she knows how to be alone with God.*

*May she ever find strength, peace, consolation, and grace in these words
which thrilled her soul fifty years ago:*

MIHI VIVERE CHRISTUS EST.

His Excellency, Most Reverend Daniel J. Feeney, with Reverend Mother on the occasion of her Golden Jubilee.

Reverend Mother proudly looks on as Monsignor Johnson breaks ground for Mercy Hall at St. Joseph's College, North Windham, Maine.

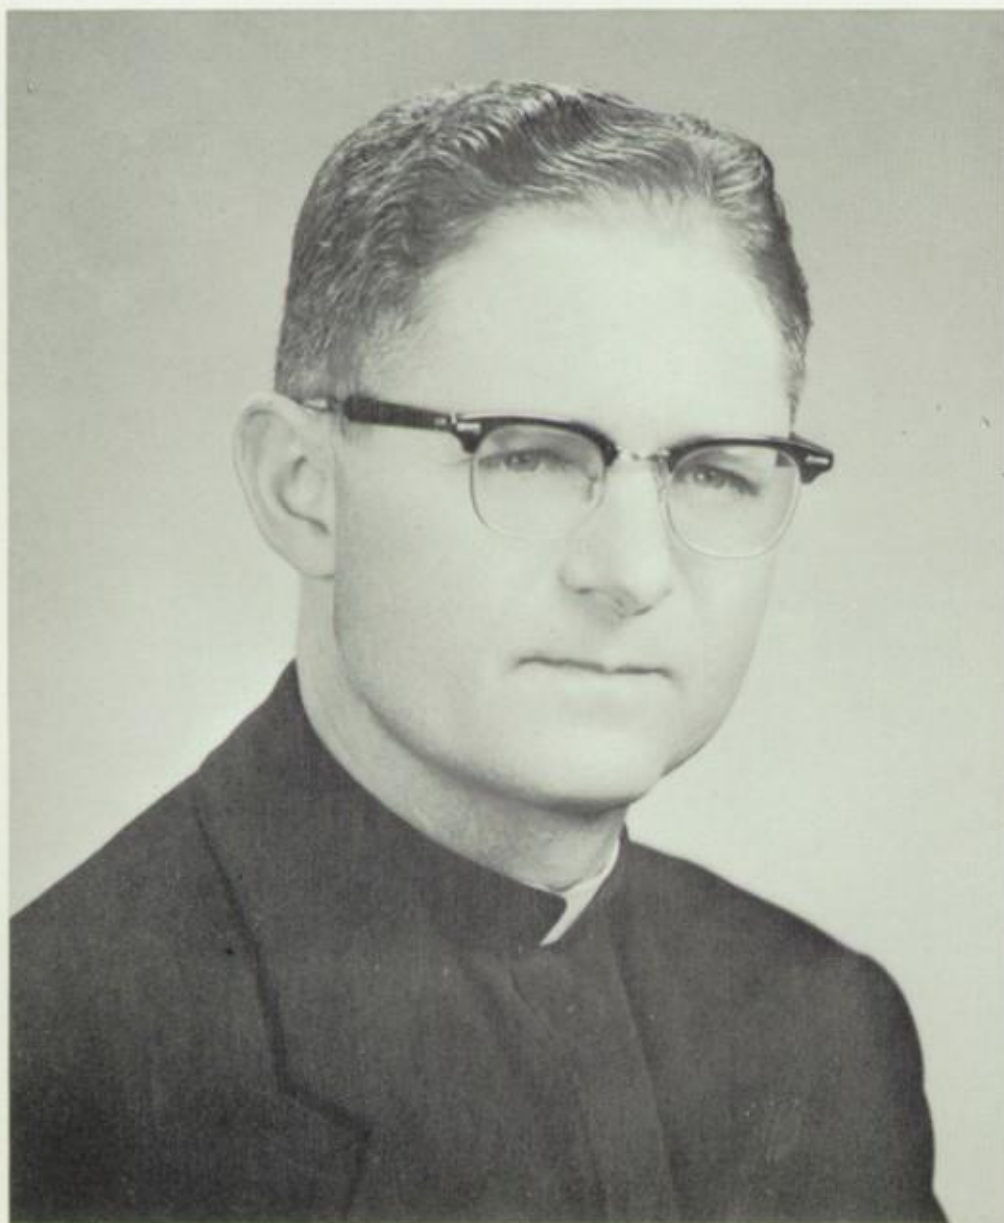

Reverend Mother sends the first message through the pneumatic tube system at Mercy Hospital.

HIS EXCELLENCY
MOST REVEREND DANIEL J. FEENEY, D.D.

Reverend Raymond F. Bégin,
S.T.L., J.C.D.
Chaplain

Reverend Armand E. Cyr
Diocesan Director of C.C.D.
Superintendent of Schools

*In their sincere and untiring dedication
to our betterment,
the members of the faculty
have inspired us to higher goals.*

*By fostering in us
a sense of true values,
with which we are confidently prepared
to meet the challenge of the future;
by keeping pace
with the best trends
in modern education;
by striving to increase the horizon
of the individual student,
they have strengthened
the foundations of our lives
with the precious gift
of a well-rounded education.*

FACULTY

Sister M. Amabilis consults Sister M. Julia and her secretary, Mrs. J. Finney, about college transcripts.

Preparing work for English classes are Sister M. Regis, Sister James Marie and Sister M. Leona.

Mrs. Sadie Holden Nissen, Mrs. Esther Barney, Miss Helena Jackson, teachers of the fine arts, enjoy a faculty tea.

Miss Dorothy Rowe tallies the bowling score of her gym class.

Sister Joseph Mary and Sister M. Ethelberta make final arrangements for Sodality reception.

Sister M. Eucharia listens to a tape as Sister M. Paulina demonstrates the new French Lab method.

Sister M. Constance and Sister M. Teresa are thrilled as the glorious chord in Haydn's *Creation* bursts forth "And there was LIGHT!"

Mrs. J. Pierce and Mrs. J. Lee, members of the faculty, smile for their ACADEMIA picture.

SISTER MARY IRENAEUS
 Ecclus: 24,47. Mass of St. Irenaeus.

"See that I have not labored for myself only, but for all who seek out the truth."

*Since the true purpose of education
is to educate the whole person,
virtue and knowledge
must go hand in hand.
Only under such circumstances
can the seed of immortality
implanted in our souls at Baptism
be brought to fruition.
Every effort is made to instill in us,
during our years at the Academy,
not only courage, ambition,
perseverance and integrity,
but also,
that priceless gift to womankind-
a soul attuned to virtue.*

*The students of St. Joseph's Academy,
under our Lady's protection,
endeavor daily
to develop Christ-like spirits
and keen minds.
They appreciate
the guidance and education
imparted to them
by the Sisters of Mercy.
Under their direction,
they hope to discover
the key to everlasting happiness.*

Mediocrity

*can no longer be tolerated
because of the higher standards required
in every field of endeavor.*

*Industry, science and education
demand maximum skills
to fill available positions.*

*As the number
of school graduates increases,
colleges are becoming more selective.*

*Only through constant effort
and an earnest striving
for excellence in the classroom
shall we surpass
the boundaries of mediocrity.*

A
TELEPHONE
JOB
OPENS UP
A BIG
FUTURE
FOR
ANY GIRL

When you graduate it's wonderful to have a telephone job waiting for you. You'll love the friendly new people you meet. And you'll like the excellent salary, the regular increases, the opportunities for advancement and the many additional benefits that make working for the Telephone Company so attractive to so many young people.

Telephone jobs are important ones. We have our own training program which you can enter without any previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate. Ask the Guidance Counselor at your school to tell you when and where to apply.
